ALEXIS' GOLDEN POMPOMS

Dear PURELY 18,

I was never a big sports fan growing up unless you count jerking off to the Dallas Cowboys cheerleaders, but I've always been crazy about girls. In my freshman year of college I actually bought football season tickets and made sure they were where I would have a good view of the spirit bunnies, to hell with the team.

I did, of course, have my binoculars and it's amazing how much you can see if you have a good seat and the cheerleaders are jumping around, titties bouncing and skirts flying up. It doesn't take long to get the rhythm of things and know where and when to look. It also didn't take me long to figure out where the cheerleader locker room was and how to gain access to it.

In the phonebook I found a shop that sold uniforms of all types, including cheerleader outfits. But that wasn't what I wanted. I needed janitor clothes. One game I changed during the fourth quarter and found myself a broom and went to work. Soon enough the cheerleaders came by and went in to shower and change. There was one I had a particular hard-on for, so I went in with my broom at just the time the girls were all showering. Their clothes were on the benches and floor, as were the pom-poms. I figured out which belonged to my little obsession and I held her panties to my face while I jerked off, quickly blowing my load into one of her pompoms. I zipped up, slipped her panties into my pocket, and swept out of there before anyone knew any better.

You've probably figured out by now that that girl looked a heckuva lot like Alexis and we had the same school colors, too. I came with that same force and sense of danger looking at Alexis and her terrific body and golden pompoms.

Guillermo
Arvin, NC

***Dear* Guillermo,**

You, sir, are a genius! That's one of the greatest stories of hot-chick infiltration we've ever read. We're glad Alexis was able to bring back a wonderful memory for you, while creating new ones for millions of others.

APRIL'S PERFECT PAIR

Dear PURELY 18,

I've never seen a girl use a chair to fit her form better than April O'Neil in **Purely 18** #27. The way she sits back, legs spread, big tits hanging there waiting to be sucked on and played with, and those lips waiting to be spread so she can get fucked and fucked and fucked. That look in her eyes is animalistic, ready to please, demanding to be pleased, absolutely voracious.

Admittedly, she turns me on as much as she makes me nervous, but you know there is no way in hell I would pass that up given the opportunity, but where am I going to find a hot

Dear Kirk,

MELLIE
31657

MELLIE MAKES OUR DICKS SWELL

Dear PURELY 18,

There is a wholesomeness in Mellie's smile that seems to contradict that great body and her splitting her slit open, ready and willing to ride and defy that girl-next-door innocence she has, if you just give her a glance.

Not surprisingly, you guys were smart enough to look beyond her obvious prettiness and go beyond and expose those great tits and her obvious horniness. After jerking off to her the first time, I went for a walk around my block, and then expanded to the surrounding blocks, and I expanded my search a few blocks, and there were plenty of very hot girls, but I didn't see any that appeared to have the potential of Mellie. But then I'm not a pro like you **Purely 18** guys. But I'd sure like to become one someday. It seems like a very special talent.

Harley
Charlesville, OK

Dear Harley,

Thanks for the compliments, and if you study Mellie more and pick out those qualities and apply them to the girls you come across and then investigate further (you have to seduce them or somehow get them naked!), you might find you have the touch, too. Either way, Mellie is a perfect object for studying!

ZOEY SCRUBS YOUR (HOT) ROD

Dear PURELY 18,

Been thinking lately that the car could use a good wash, but damned if I'm going to do it myself, and I just haven't found the right fundraiser car wash to suit me yet. Now that I have, it's in your magazine, and unless I'm out there scrubbing with the pages of **Purely 18**, I'm only going to end up with a shabbily cleaned car and a trashed mag. I wouldn't do that to your mag, and especially not to Zoey's pages.

What's the real story with her? Did you find her in one of those charity car washes that summertime brings and give her an extra big tip to come over to the **Purely 18** house and wash all the cars while you guys took pictures of her. The cars get clean, everyone else gets dirty. I like it. It may not be how it really went down, but as far as I'm concerned, that's exactly how it happened.

Armando
Gravesend, WI

Dear Armando,

You can believe whatever you want, Armando, hot chicks and dirty magazines are all about the fantasy. We will say this, she can clean our machines any day!

Veronica

sweet as candy

With those yummy, little caramel-apple titties and a sweet cherry pie, **Veronica Rodriguez** sure looks delectable enough to eat. While this budding young starlet might be a mere 18 years old, what she lacks in experience she more than makes up for in unbridled ambition and horniness. This happy-go-lucky honeysuckle is determined to prove she can hang with the big girls as she fucks like a banshee and sucks like a vaccum cleaner on steroids. Maybe she hasn't been around the block that long, but she's been around enough cocks to know exactly what she's doing!

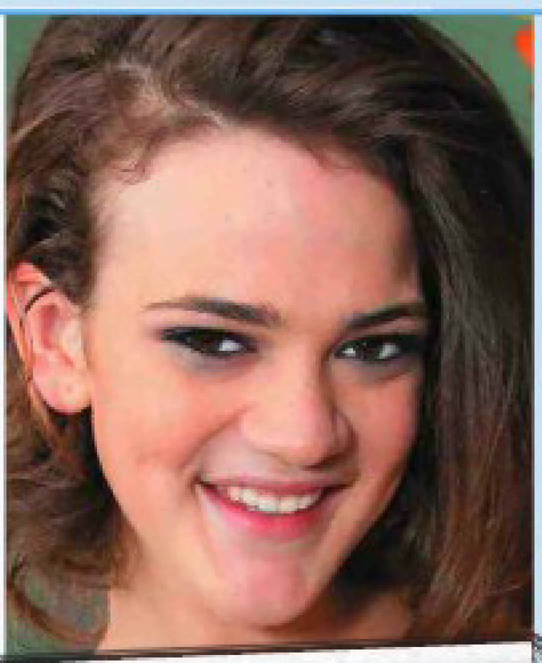
A Young Girl's Diary

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Amber**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!***



Dear Diary,

I knocked on the door and his roommate answered. "He's in the shower," he told me, opening the door wide to let me in. I sat down to wait and he went on doing whatever he was doing—in and out of the kitchen, his bedroom, the TV blaring all the time, then suddenly he plopped down beside me and without a word he bent over and kissed me.

At first I responded, tongue and all, I was so used to making out on that couch, but then I pulled away and asked him what the hell he thought he was doing. "Come on," he said, "it's not like you never thought about it before. Besides, he's in the shower, he doesn't know the difference. You know you want to."

I could hear that the water was still running, and he was right, I did want to, but with my boyfriend just a few yards away in the shower?! Surely he'd flip! But I continued kissing him and the water kept running and soon his hand was up my shirt and my bra undone and my hand rubbing against his jeans, his cock was rock-hard. He unzipped his jeans, freeing his majestic prick and it just kinda landed in my mouth and I started sucking hard and fast, trying to get him off before the water turned off and my boyfriend turned up.

As I sucked him off, he reached under my skirt and slid my panties off and soon I was on top of him, riding his cock, grinding on him as hard as I could, squeezing tight, doing every trick I knew to get him off before my boyfriend came in. But it was me who came first and I came hard, so strong that I forgot about everything I was doing wrong and let it right out, screaming that I was cumming and his cock felt so good inside me and that I wanted him to keep fucking me hard.

He had me doggie-style on the couch and I'd cum twice already and it occurred to me that my boyfriend sure was taking a long shower. "Does he…always…shower this…long?" I moaned. "Your water bill must be outrageous!" That's when I heard the front door shut. I looked over and it was my boyfriend. I was caught in the act, and his best friend was caught with his cock in my cookie, my hair pulled back in his hand and the other gripping one of my ass cheeks. No getting out of this one. To my surprise, he kept pumping hard and my boyfriend…he just stood there and smiled.

He unbuttoned his shirt as he walked by us into the bathroom. I guess he took a quick shower, then the water turned off (finally!) and he came out, naked, wet, and hard, and slid his cock into my mouth, him not saying a word and me unable to with his fat knob in my mouth.

"Mind if we switch," my boyfriend asked his roommate. "She gives a helluva blowjob, as I'm sure you know by now, but I'd like to slide into that pie for a minute."

I was too stuffed and stunned to say anything and they moved quickly, my boyfriend's girth stretching my lips wide while I tasted my pussy on his roomie's dick. My boyfriend leaned in to me and whispered in his sexy way, "You know what we've talked about before," he said, "I think now is the time to try it." I nodded, as much as I could nod while I worked the dick from the other bedroom.

My boyfriend sat on the couch and I turned my back to him and lowered down slowly, my hands pulling my butt cheeks apart as his sopping-wet prick inched into my asshole. His roommate stood there jerking off, watching my ass soak in that cock and then I waved him over. "Let me suck it first," I said and I slopped him up good, then told him to stick it in my pussy.

"You sure there's going to be enough room?" he asked. I grabbed his cock and led it into my taco. "I'll make room for the roommate," I said and soon they were in perfect DP mo-

tion, just like I'd seen in the movies, one going deep as the other retreats, then switching and going on and on and on.

They switched holes a couple times as I mostly just stayed in place, dazed out of my mind by the amazing feeling of two guys sharing all three of my holes. I seemed to orgasm a hundred times and there was no time to think about what was happening, just time to let go and cum and cum and enjoy two guys plowing me and me finding an inner—and I do mean inner—bliss I'd never before experienced.

Finally it was time for the guys to get off. The roommate went first and my boyfriend said, "Blast it to her face, she loves that shit!" I stuck my face right in front of his cock and within seconds I was soaked. I swear, it was like he hadn't cum in months. Then my boyfriend stepped up with his big wiener and said, "Baby, swallow it all." He shoved his dick in my mouth and I tickled the underside of his tool with my tongue the way I know he loves and soon enough hot loads were going down my throat.

He pulled away and smiled at me. "You did it," he said. "You're a real fucking trooper. I didn't know if you could do it. I'd kiss you right now, but your face is covered with some other dude's jizz and I ain't into that shit." It was my turn for the shower.

Things got kind of confusing after that, I didn't know if I was, like, free to fuck his roommate or even his other friends if he wasn't around, or even if he was. And were my friends

fair game? Turns out that everything was cool and we all became completely open. We could all fuck whoever, whenever, no restrictions. One time I fucked one of his friends on the kitchen table while he was eating lunch (he ended up blowing a load on his sandwich and I got to eat it), and he once tag-teamed two of my friends in the living room while I was playing video games.

The capper was when we all got together to watch an away game of our home team and we were still in the first quarter when people started hooking up. By halftime there were people fucking all over the house and I think even in the backyard. For me it was particularly special because, even though we'd all been kind of fucking everyone, I'd never gotten with a girl before.

I had one friend who I was always kind of attracted to, everybody was, but she was the first girl to really stir feelings in me. Suddenly I found myself in the kitchen, mutual friends of ours fucking just a couple feet away from the refrigerator, and she looked at me and said, "You know, I've always thought you were beautiful." We immediately disappeared to a room and we kissed and licked and fondled and penetrated and made love like I'd never imagined. Well, I'd imagined, but it was nothing like I'd imagined, it was a million times better. It was like that first DP, probably the two most pleasant surprises of my life.

After some cuddling she said, "So whattaya say we go find a couple guys who can still get it up and bring them up here and have our way with them?" Hard-ons were easy to find and soon we were leading a couple guys up by their cocks to the secret room and we took turns with them in

every position imaginable. She had her first DP and I, well, I'd been doing it pretty often, so I was sure to get some for me, too, and we gave those guys the greatest fucks of their lives. We know, they told us so.

Funny thing is, neither of us knows who they are. They weren't part of the football party that we know of, they weren't familiar from school or the neighborhood, but it didn't matter. And my boyfriend? Well, we still fuck a lot, but I don't know if we can really call each other boyfriend and girlfriend. We fuck everybody, all of each other's friends, and there's never any jealousy. It's pretty awesome.

And the football game? Turns out we won. I don't think anyone saw any of the second half, but I don't think there are any regrets there, either. We all won, some of us a few times. That's the way games seem to be played around here these days.

Big Tit fantasies!

BEHIND THE SCENES OF

How to Train a Delinquent Teen #2

West Coast Productions

Starring: Chastity Lynn, Marika Hase, Pressley Carter, Tiffany Foxx, Alyssa Branch, Prince Yahshua, Jon Q, Mr. Marcus, Rico Strong, Jon Jon

There might be more than one way to skin a cat, but apparently there's just one way to train a teen delinquent, and that's with a big, black dick. These bratty, bitchy know-it-alls are in need of some hard training, and that's exactly what they get – straight up their tight little asses! Nothing keeps a sassy young girl in-line better than a good interracial dick disciplining. It might not set them straight, but it will probably scar them for life. So join us as we play teacher, disciplinarian, and pervert as we go behind the scenes of *How to Train a Delinquent Teen #2*. It's a rough world out there, girls – and it's about to get a hole lot rougher! .

CHASTITY LYNN CLEANUP IN AISLE 69!

Petite plaything **Chastity Lynn** gets caught masturbating in detention by the big black janitor, who decides to teach her right from wrong with his chocolate schlong, fucking her face before teaching her tiny, pin-hole asshole a BIG lesson she won't soon forget. He props her ass in the air and tells her to spread it open, then pounds his pecker into it with full anal-thumping strokes. Chastity squeals in bad-girl delight as her little butt quivers to the beat of Prince's big black meat, then she drops to her knees and he drops a milky-white residue on her tongue. That'll learn ya!

MARIKA CULTURE COCK-SHOCK

Japanese exchange student **Marika** struts into detention and starts tossing desks around and tearing leaves off of plants. This teen troublemaker doesn't speak much English, but she lets her butt do all the talking as she spreads her little cheeks apart for her teacher and somehow manages to engulf his entire slithering black-snake up her anus, howling in foreign tongues and squirting all over the floor as she's spun in multiple positions and sodomized. It's a physiological wonder she didn't split in half during this blistering ass-reaming! *Bonzai*!

PRESSLEY CARTER BETTER LATE THAN FRUSTRATED

Pressley Carter is late to class and Professor Mr. Marcus is royally pissed. She shows off her cute ass in cut-off jeans, hoping her flirtations will buy her a reprieve. Instead she gets propped up on a desk as her shorts get removed and a foot-long black dick slides into her tiny, little pussy. She eventually hops on top and grinds the goo right out of him and right into the crack of her ass!

ALYSSA BRANCH SKIPPING SCHOOL IS COOL!

Naughty **Alyssa** is ditching school again. The brat heads over to Jon Jon's crib and he rubs her pussy to stop her from whining. Soon after he works his black mamba into her white twat, she has no time to act snotty as she holds on for dear life! Ass in the air and face down, Alyssa gets fucked properly, her fawnish legs quivering as she gets power-fucked by the big black stud. She then gets her face splashed in sperm-sauce that drips down her chin — talk about just desserts!

TIFFANY FOXX HEY DIDDLE-DIDDLE

Sexy blonde **Tiffany Foxx** is lying on her tummy on the desk with her skirt up over her ass. She is looking at porn and fingering herself. Then she grabs a big vibrator and starts rubbing it on her clit until her panties are soaked in quim-sauce. Rico comes in and puts her on the desk and slam-fucks her little shaved hole before fucking her pretty teen face and covering her mouth in cum!

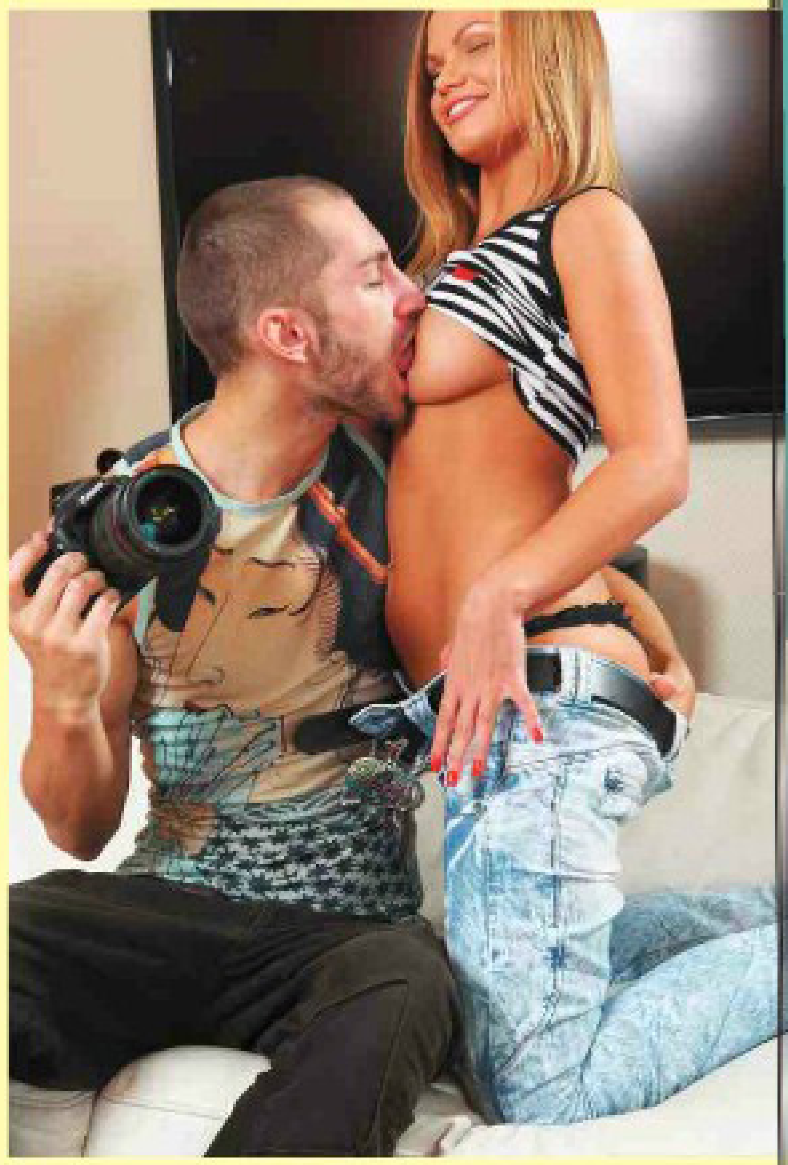
The Teenage Bitch



Unfortunately, naughty young sluts like **Sabrina** don't come around every day. She's a special type of slut – eager for attention and willing to do whatever it takes to get it! When Oliver pulled out a camera, Sabrina pulled out his cock and pulled down her panties, exposing her tight little asshole for all the world to see. After plundering her bunghole as she squealed in delight, Oliver withdrew his fuck-stick just in time to shoot a gooey load straight into her mouth. We hope that jizz-juice satisfies your need for attention and protein all at the same time, Sabrina!

IWIA

Bath Time

This month's **Teen Dream** is dreamy alright – Iwia is a tasty, little cupcake with some perfectly puffy nipples that are shiny and sweet. This delicious brunette decided to slip into the tub to wash her most intimate areas, so we watched and drooled as she lathered her labia lips in soap and carefully rinsed every crevice and fold with the utmost precision. Clean and refreshed, **Iwia** is ready to take on the world, and we are more than ready to take on Iwia!

DIRTY LITTLE SCHOOLGIRL STORIES 4

31808

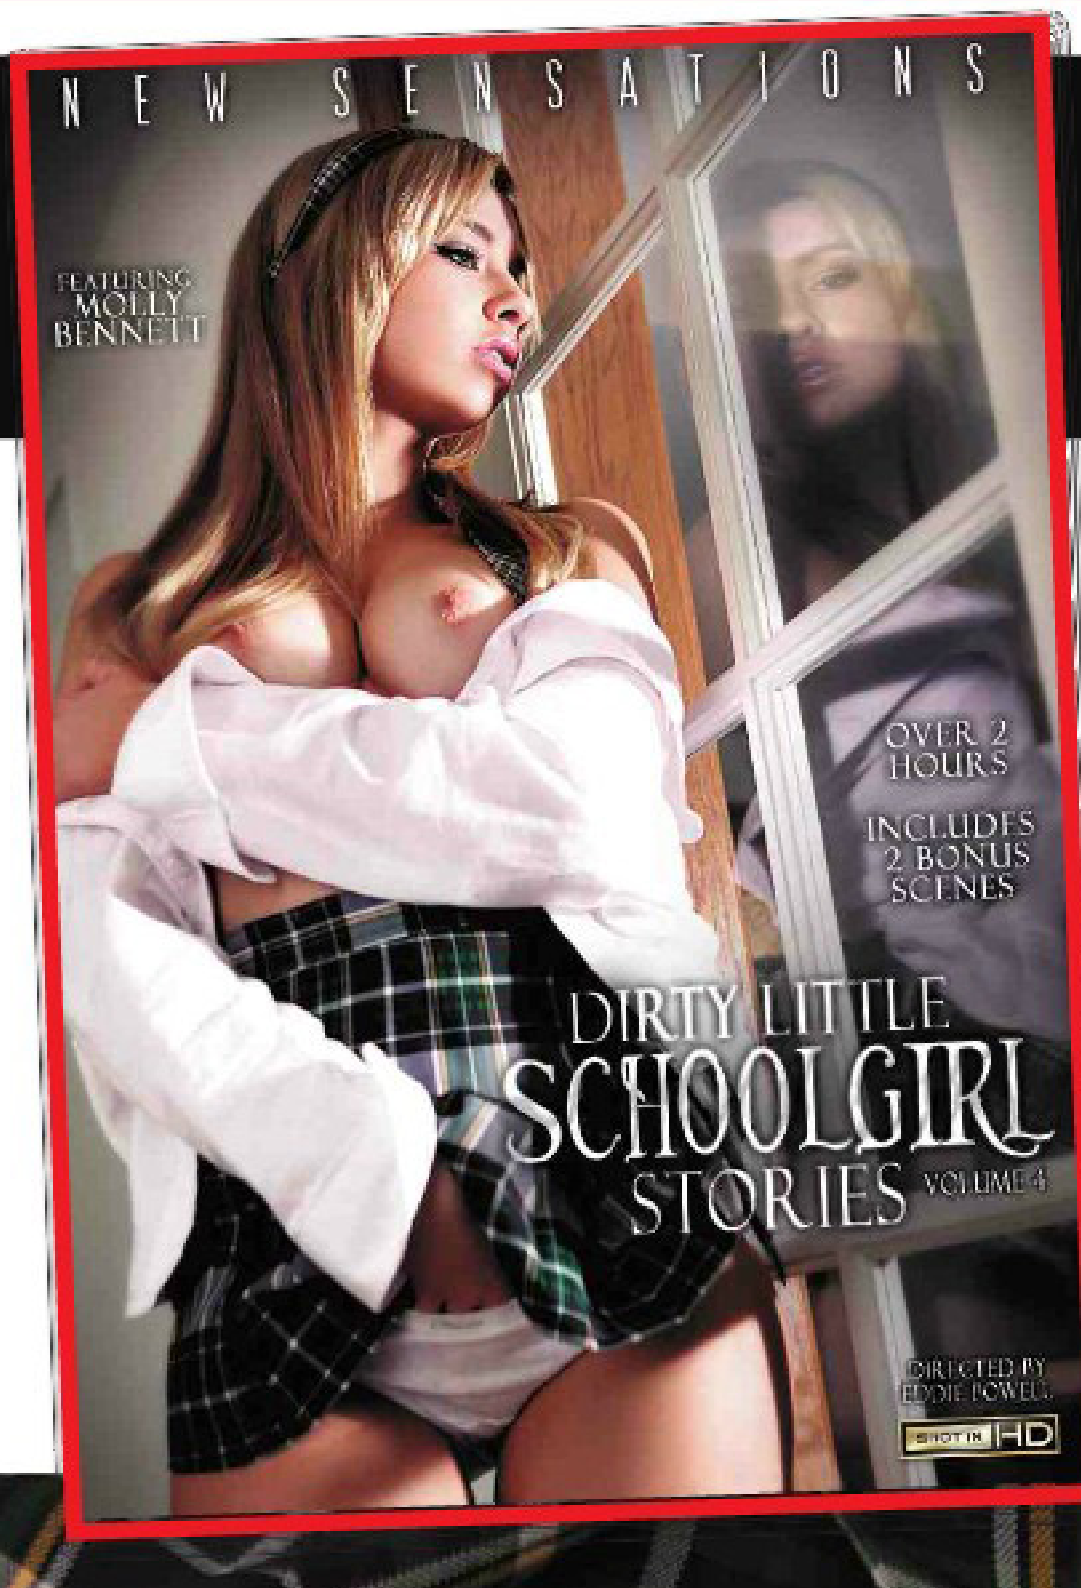
Story By Acme Andersson

KELLY SURFER

KENDALL KARSON

MOLLY BENNETT

RILYNN RAE



STARRING: Kelly Surfer, Kendall Karson, Molly Bennett and Rilynn Rae with Mark Ashley, Anthony Rosano and Erik Everhard
DIRECTOR: Eddie Powell **STUDIO:** New Sensations

You see them coming out of school with their book bags and excited smiles and chatting with each other about the weekend and it all looks so innocent. For some, it is, they might have no plans at all and some girls just get lost in studies or other activities. Yet the special girls, those lucky and beautiful teens who know how to be in the right place at the right time—not to mention how to put the right *thing* in the right *place*—they have stories to tell. And we are always happy to listen.

Here we get to share the special stories of Kelly Surfer, Kendall Karson, Molly Bennett, and Rilynn Rae. You wouldn't know them unless you went to school in their town and even then you might not know them unless you were in their classes or helped keep track of attendance records in the office. For the most part they don't seem unlike their peers, wide-eyed for the future and a sense of adventure that will wear away in time.

For now, though, they are wide-eyed at everything. They are looking for new kicks, new experiences, and their bodies are waking up to new odd and special feelings, kind of like itches that they need to scratch, but how? Maybe it has something to do with attraction to boys that's been building over the past few years. Maybe the boys have a solution!

MOLLY
BENNETT

KELLY SURFER

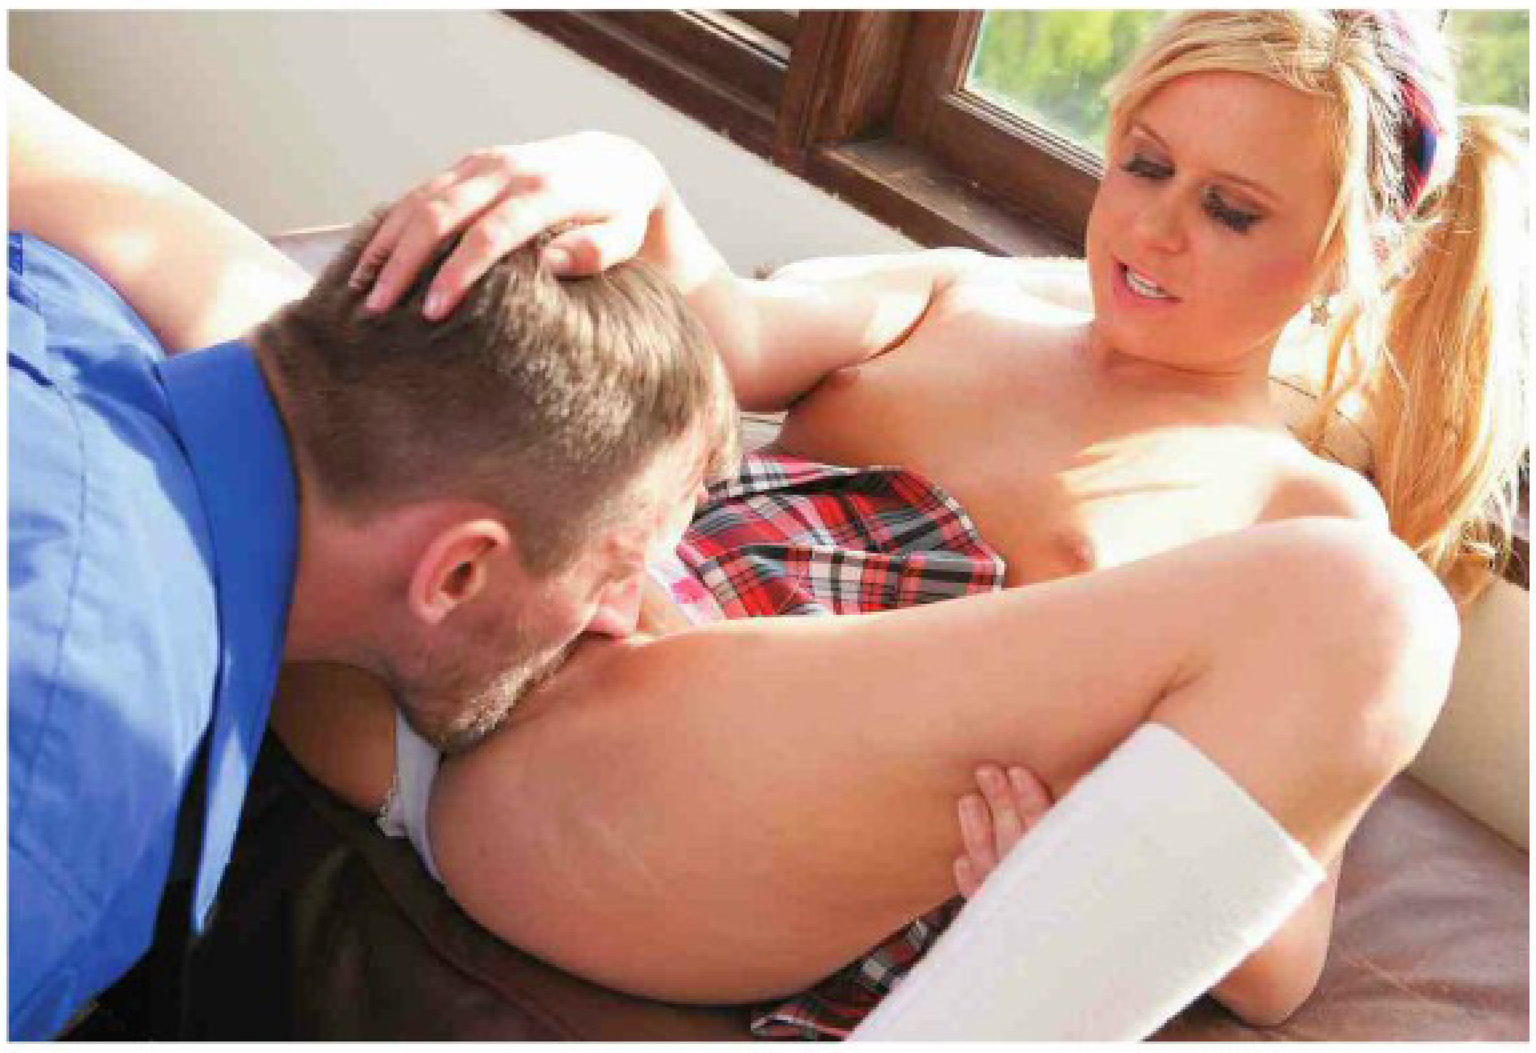
WITH MARK ASHLEY

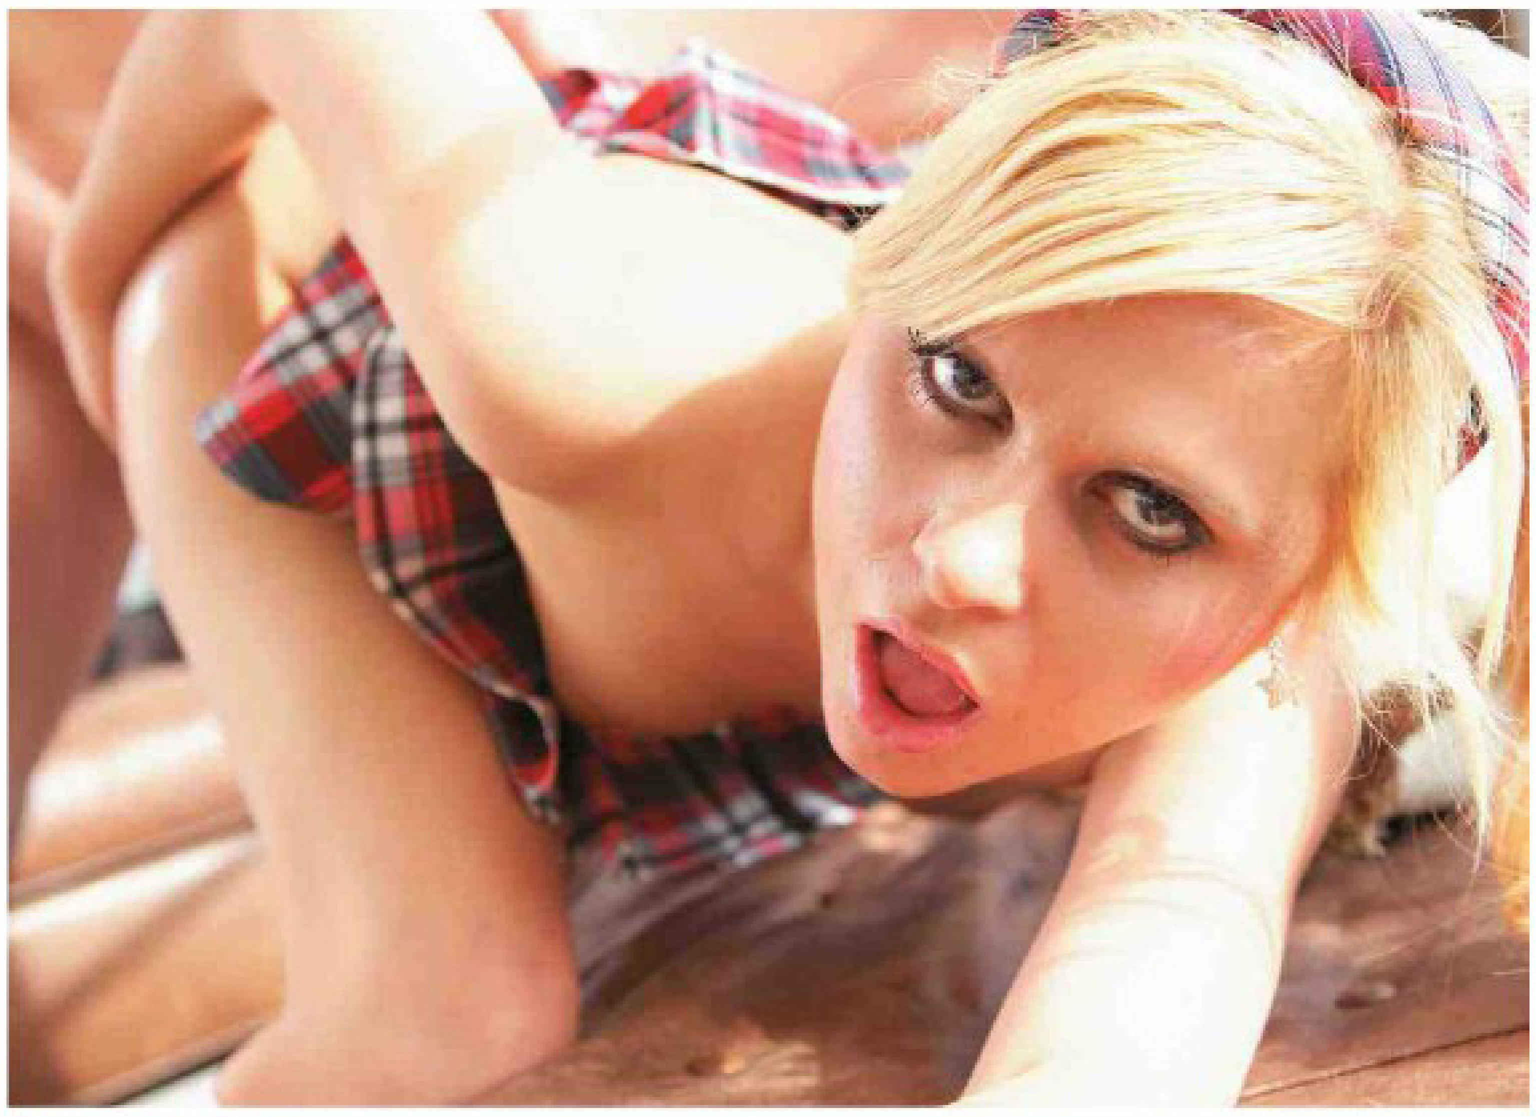
Kelly has never made the honor's list, but she is by no means a poor student. She comes from a fine family and they are always encouraging her to try new things. One was playing the guitar. She kind of liked the idea of rocking out, so her mom set her up with a guy who would come by after school to teach her how to jam. But not the kind of jam anyone was expecting.

Boys had interest in Kelly, and she'd even let a couple feel her up, but she never really had a boyfriend. Before the first lesson Kelly was sitting in the front window of the house feeling herself up and even touching her pussy, not thinking much since it's such a quiet neighborhood and no one would be home for hours. Then a car pulled up—oh, shit! Her teacher!—and she hastily put herself back together in her school outfit.

Mark played as if he hadn't seen her in the window, but there was no hiding it. He waited a couple minutes before going inside, but his hard-on refused to recede. Kelly let him in and for a moment she tried to show a couple things she knew, but Mark couldn't stop staring at her body and she couldn't stop staring at the huge bulge in his pants. Finally he just said, "I saw you in the window and I'm not going to be able to teach you anything unless I take care of this." They both looked down at his crotch. "Well, mister, maybe there's something else you can teach me then."

With that, she introduced her mouth to his cock and if she could learn to suck this fast, she was going to be a decent musician, or a great groupie. He ate her out then stood up and Kelly pulled her white panties to the side and somehow the great cock managed to slide into her twat, answering so many questions she never knew she had, and soon he was pounding her like a drum doggie-style and she was howling along—he didn't think she'd make much of a singer—and she even rode his cock before finally she had been educated enough, she needed to soak in what she had learned. Mark told her to get up on her knees and he came on her face and she smiled, so much progress after just one class. "That," Mark told her, "is rock and roll."





KENDALL KARSON

WITH ANTHONY ROSANO

With so many pretty girls in school, it would be possible to spend a whole semester with Kendall and not recognize her assets. The schoolgirl uniform, in her case, hid her figure. But you get those clothes off and you're shocked at the large, shapely breasts and the incredible ass, and who would have guessed that she was so attentive to her pussy that she had it completely shaved.

There is one guy, he doesn't go to school with her, or at all, not even when he was supposed to, and that was a few years ago. But he's not stupid and somehow he scammed his way into a gig tutoring Kendall. Now you're probably thinking that Anthony took advantage of the young lass, but it turns out she's not as innocent as her school chums seem to think. As soon as Anthony started talking books, she started talking other things. Things that were probably in books, but surely not the ones she was studying for school.

To his lucky surprise, Kendall wasn't interested in her studies at all. Instead of opening her book she opened her mouth and Anthony wasn't going to say no. She undressed as she sucked him off, leaving only her skirt on and soon they were occupying the couch, using it in ways that her parents had never intended. His shaft was deep inside her pussy and she was moaning away, saying sweet things about his cock, asking to be screwed harder, and Anthony took her from behind and did his best. She then got on and grinded on his cock so hard, his hips were sore for days but she didn't care at all, she just wanted to continue climaxing. When it was time for him to cum, it was Kendall's idea for him to pop his wad all over her face and tits. He soaked her good, all the while thinking this new line of work might be just the thing for him after all.

Faith

MOLLY BENNETT

WITH MARK ASHLEY

Molly has always been the girl in school who drove the guys wild. So beautiful and with such a terrific body that she always used to get whatever she wanted because she was such a tease, no one could resist just in case he would be the one to finally make it with her. What they didn't know was that she was very sexually active, but schoolboy crushes were never her thing. She liked older guys. Older guys with huge cocks.

She met Mark a while back and unlike the guys in school, he had no trouble getting hot Molly into bed. In fact, the girl is always blowing up his phone trying to get him to come over and fuck her. Yeah, it's hard to feel sorry for the guy. Often after school she'll call him up and he'll come by, sometimes he'll even be waiting for her, stroking his cock in the car, anticipating her arrival. She loves trying to deep-throat him, swearing she'll do it one day and when she does, she wants him to fuck her in the ass. Someday, but her pussy always gets a prime pounding. This time she can barely get her panties off before he's balls-deep inside her hole.

By the time she gets on top, something that he helped her to master was the cowgirl and the reverse, she is able to get her top off and expose her much-desired breasts. Mark knows he's lucky, though even he doesn't know that she's not banging every guy in school. Maybe it's because she is such a quick learner. She sure did learn how to look hot while kneeled down on the ground in her little skirt, letting him jizz all over her face.

RILYNN RAE

WITH ERIK EVERHARD

Rilynn has always been the adventurous type, and her mom says "no" isn't in her vocabulary except when it comes to explaining why she comes in late every night. The reason is simple: She keeps running into guys like Erik who want to fuck her brains out and she's just one of those girls who's always up for anything, especially a guy with a big and ready dick.

Rilynn brought Erik home one afternoon and they didn't even make it upstairs to her room before they started screwing. He had her working the railing to bang her every which way but upstairs, and then finally they retreated back downstairs and he screwed her doggie-style on the floor then they somehow made it over to a chair where he got on top and banged some more.

Having fooled around quite a bit before, she's well aware that Erik fucks a whole lot better than most of the other guys, and she lets him have his way with her right down to the creamy finish. He tells her he wants to come on her face and who is she to say no? She accepts it on her young skin, then sucks on his cock just to leave a good taste in her mouth.

I take it in the ass, eat pussy, suck cock, swallow cum, love bondage, spanking and domination while dressed in short skirts, stockings and garters, panty hose, thigh-highs, leather & lace and lace. And most of all I love big wild orgasms. Send $3 for nasty letter and pix and see how hot I can really get. – *Melissa* c/o The Contact Column, Box 93159 Los Angeles, CA 90093.

I CAN'T GET FUCKED ENOUGH. I have been a bad girl and need a hard spanking. I have giant buns made for ass fucking. My return letter and pictures shows hot wet loads squirted all over them $6 postage. My personal ass-fucking DVD $15. Everything $20. *-Joanna F.* c/o The Contact Column, Box 93159 Los Angeles, CA 90093.

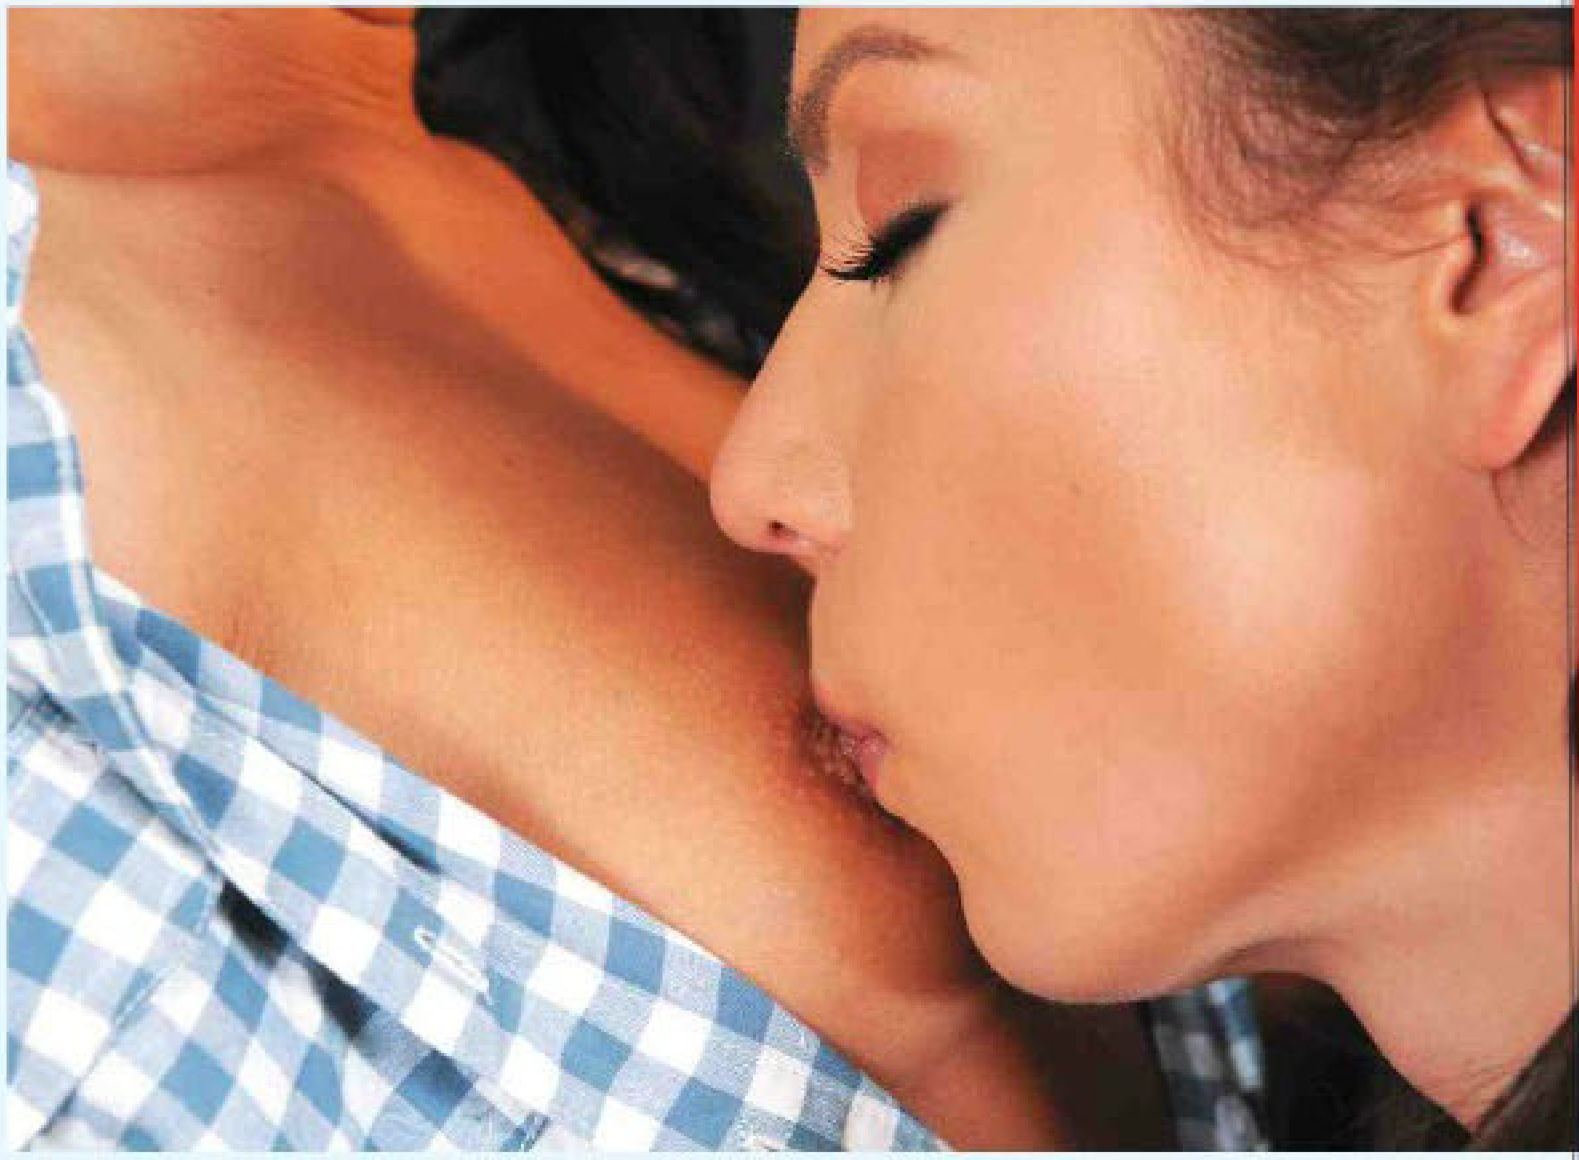
Lindsey & Nataly

Freaky Farmers' Daughters



Growing up on a farm has its pros and cons. While you're not privy to all of life's high-tech conveniences and distractions, life can be pure and simple, and that's not such a bad thing after all. Just ask **Lindsey** and **Nataly**, farmgirl neighbors who grew up in a secluded, sheltered environment. Sure, they might not have fancy clothes or high-performance dildos, but they have a zucchini and each other, and quite frankly, that's *more* than enough for us to beat our meat!

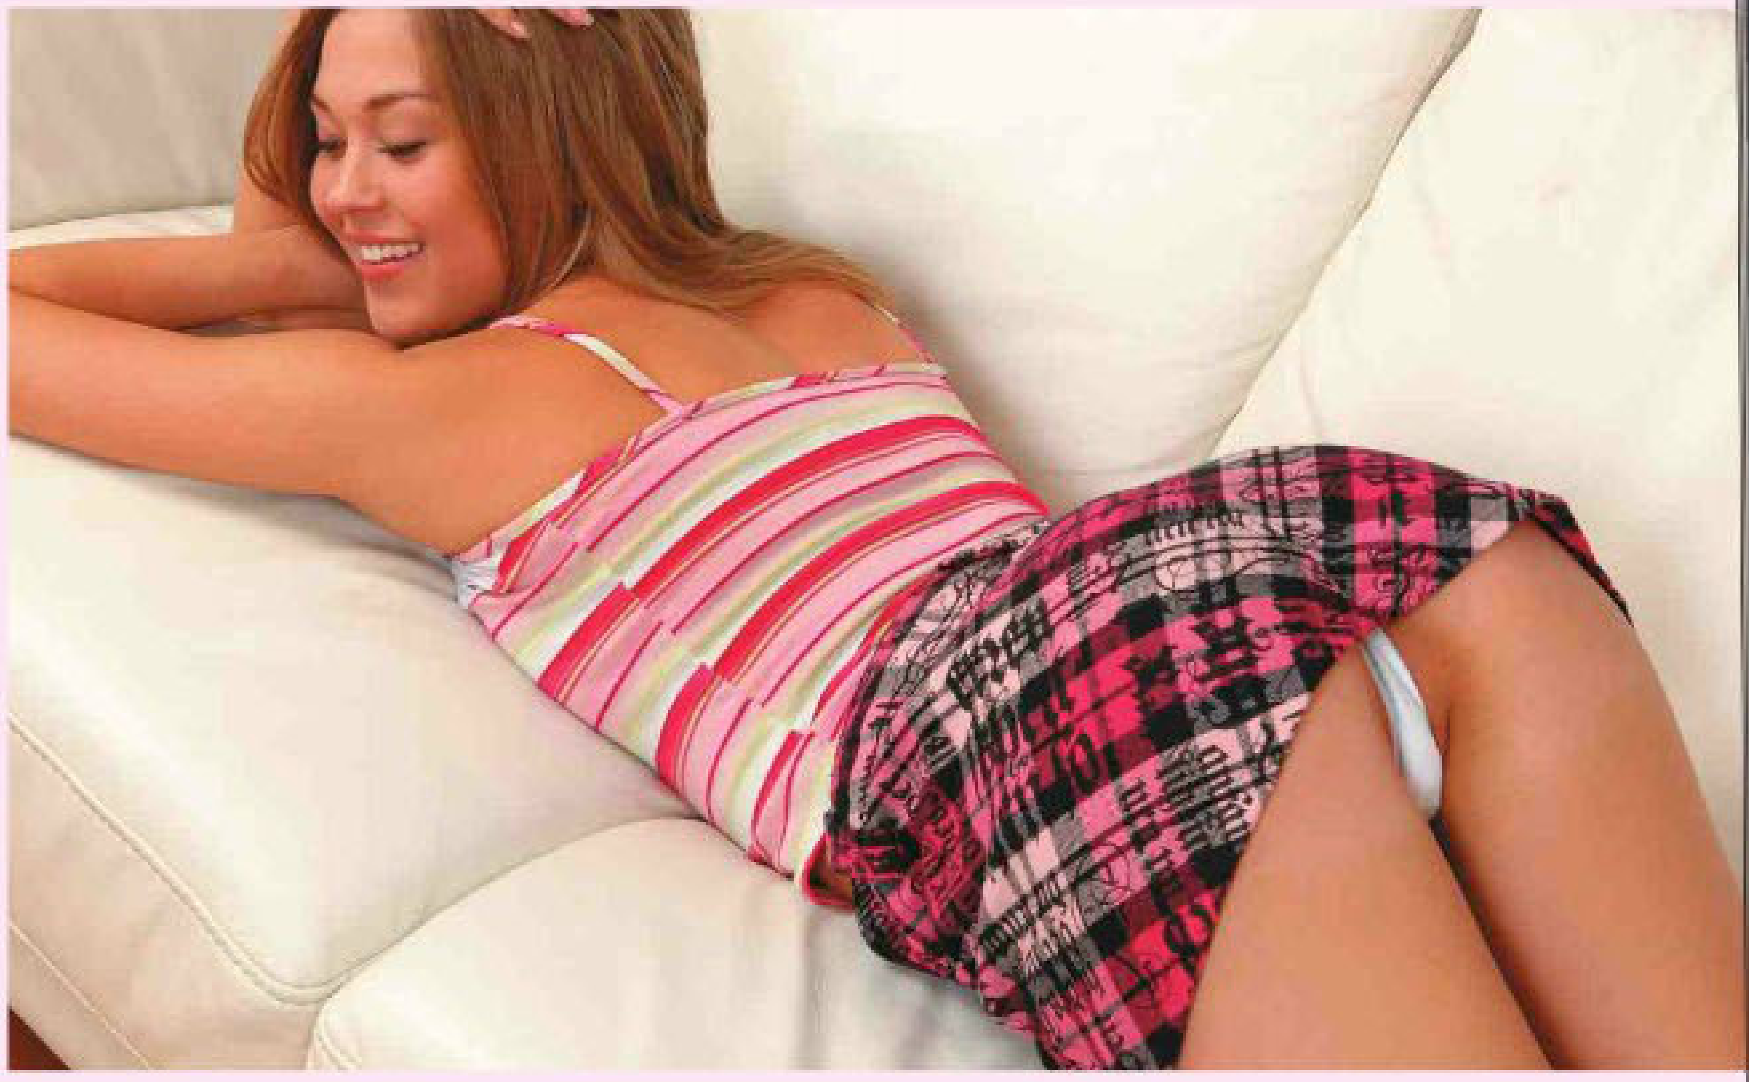
Barbie

A Living Doll!



I've never taken my clothes off in front of a camera," **Barbie** admits with a nervous, innocent smile. "What should I do first?" Just relax, Barbie, and pull up your skirt so we can get a gander at that tight, shaved pussy of yours. Umm, so sweet, you're doing great, honey. Just lie down on the couch and relax. Now touch yourself 'til it makes you feel good. That's it – slide a finger between those pretty pussy lips and spread your ass apart so we can get a good look at your moist nookie. Oh yeah, that's it, you're doing great, baby. You know, you're a beautiful young girl. Now we want you to open your mouth and suck the next big thing you feel inside...
